(Contact for Emergency)

Nutrition Clinic

Digital course on caring for children 0 to 1 year

Any major hospital
emergency nearby.

Find out whether your child is taking adequate nutrition (calories, proteins etc) in relation to age. Computerised analysis based on actual food intake.

Very useful for new parents, intending to be parents. Tells you the art of taking care of children like how to give massage to infants, how to clean eyes, strategies to prevent accidents at home, tips for travelling by air, road etc.
